Hot on the heels of her latest viral hit, garnering more than 10.5M views, 1.5M likes, and over 25K fan comments singing her praises asking for more. Her army #TeamGoforth, 85K strong has proven to be around for the long haul anxiously awaiting to see what she does next. Tawna's feel good "Smell The Rosé," closed summer out with a bang. Now she's reminding her fans that even in this crazy world, there's always "lite" at the end of the tunnel.
